April 4 - Pensioners Demonstrated in Athens

On Tuesday, April 4, the Pensioners' Unions of Athens held a massive demonstration against the new pension cuts, planned by the SYRIZA Government and the EU-IMF-ECB Agreement.

The pensioners' Unions protested to the Ministry of Labour, where they met with the Deputy Minister. The Unions denounced the planned cuts and demanded the reinstatement of all the losses they had in their income the last years.

The Unions called all pensioners to continue the struggle, with next station the Demonstrations of PAME on April 7
