

World Federation of Trade Unions

Dear colleagues and comrades

The International Trade Union (UIS) of Pensioner and Retired (PyJ) of the WFTU condemn the criminal "class justice" that capitalism through their lackeys disguised as "justice" imposed on heroic workers Greek steelworks of which have given a firm example of militancy and organization in defense of their rights and dignity as working class.

We express our solidarity with our colleagues and from here we appeal to the working class so that our colleagues do not feel alone in their struggle, which is ours, and express proletarian internationalism that allows them to win the battle with our enemy: the capital.

**VIVA THE LABOR CLASS!**  
**VIVA THE PROLETARIAN INTERNATIONALISM!**  
**VIVA THE STRUGGLE OF THE GREEK STEELWORKERS!**  
**VIVA THE WFTU!**
