

Com. Quim Boix,

Many greeting and best wishes from Poland of Pensioner prof. dr sc. Zbigniew Wiktor, c. Wroclaw, former profesor ordinaire of Wroclaw-University. I wish to Your Conference in Monaco many success in the wellbeing of the Retired peoples, Pensioners and invalides. I'm a member of the Polish Union of the RPand I and a'm activ in the organizing of the our retired teachers and scientists on the University organisation. Our social and life situation is not good, the prises eroses and our retired money are modest. it's not only problem of our profession, more difficult is in the educational sector - schools, especialy public, the social situation of the teachers is bad, now the Union of the Teachers is in the preparing of the all Polish strike for better salary. By the way the social situation for the other classes of the working peoples is also bed, The political regime in Poland is under domination of the right-clerical party and the Catholic church.

Thank You for the ivitation to Your Conference in Monaco - Juni 2023. I,m ready to come to Conference with my individual speach about the situation of the working peoples and Retireds. I,m also ready more say about the socio-political situation in Poloand in the last years and after the collapse of the Socialism in Poland and other former socialist states. But ist the problem of money, the ticket par avion, the hotel, meal and other costs are for me expensiv, I must all costs from my pocket to give. When the organiser to cover all costs I,m ready come with my wife, she is musicist and she will give the Piano-concert for the participants of the Conference.

I wish to Yuou many success in Your activity for the better life fo Retired peoples.

In Anex my last articles about the situation in Poland and the war in Ukraine after one year, also my last book about the China.
