

Beirut, 12 May 2023

To the Presidency of the Council of Ministers of the Kurdistan Region of Iraq

Regards

The Second Conference of Pensioners from Arab Countries, held in Beirut on 10 and 11 May 2023 (called the Dr. Chebib Diab Conference) stated that the Government of Iraqi Kurdistan is still working on Pension Law No. 27/2006, despite the publication of the Unified Pension Law No. 9/2014, which is a fairer law than the previous law. The application of a law that distinguishes between retirees of the same country implies an injustice that we believe your government disavows this practice on its people, especially retirees who have spent their lives serving their country.

Therefore, the participants in the conference hope that your honorable government will take the initiative to treat pensioners in the Kurdistan Region of Iraq fairly and to implement Law 9/2014, and we are convinced of your justice and good behavior for the benefit of your people.

Please accept our greetings with gratitude
